Below are the scheduled times for proposal discussion, basically based on the sign up times. The teams are sorted based on proposal discussion times. Each team must submit their proposal to the instructor's e-mail box by the end of **December 7, 2014**. Each team then needs to have **at least one member** discussing the proposal with the instructor at the specified time. In a team fails to do one of the above two things, it loses the points for the proposal.
